Thank you for your recent gift in response to the earthquakes in Haiti. In the aftermath of a series of catastrophic earthquakes that struck Haiti on the afternoon of January 12, the American Red Cross mobilized immediately to provide our partner society with the necessary resources to respond. As the dust settles and the assessment and relief operation begins, we have already put your donation to work.

With your timely contribution, we are helping to provide critical assistance to the untold number of people affected by the earthquake and its aftershocks. In addition, specially trained Red Cross disaster response teams are in Haiti assessing the damage, addressing urgent needs and establishing the foundation for a long-term recovery operation.

The American Red Cross stands ready to provide further assistance for those affected by this disaster in Haiti and we are grateful to have your support that brings hope and comfort to those affected by these devastating earthquakes. If you have any questions or would like to know more about the services that the Red Cross is committed to providing disaster victims, please contact the American Red Cross of Tippecanoe County at 765-742-6975.
