Thank you for your generous contribution to the Tippecanoe County Chapter of the American Red Cross. Without your kindness, we would not be able to effectively accomplish our goals and serve the community.

The emergency response and preparedness mission of the American Red Cross of Tippecanoe County is more relevant than ever in a changing world full of new challenges. We are on call 24 hours a day, seven days a week, 365 days a year to respond to disasters and other emergencies. Every day, we help families recover from disasters by providing foods, clothing, shelter and other essentials, as well as emotional support. We lessen the impact of disasters and emergencies by teaching people of all ages how to make themselves, their homes, schools, workplaces and neighborhoods safer. We keep members of the U.S. military and their loved ones in touch during family emergencies. We drive clients who have no means of transportation to their preventative care appointments and lifesaving medical treatments.

Again, thank you for your generous support. Please don't hesitate to call us at (765) 742-6975 with any questions you might have about your local Red Cross.

The Internal Revenue Service (IRS) recognizes the American Red Cross as a 501(c)(3) organization; therefore your contribution is tax deductible to the extent allowed by law.
